

Quick Guide for the WindoPath Web Portal (WPWP)

There are three ways you can launch WPWP:

1. Covenant associates can access and login to the Covenant Citrix Site at: <https://external.covenantsp.com> and click on the WP2 icon.

2. External users can search from a web browser: <https://results.covenantpath.com/>
3. External users can also access the Covenant Pathology Services website at <http://www.covenantpath.com/> and then click *Lab Results*:

Once you have launched WPWP, it will prompt you to the login screen.

1. Enter you username and password then click Login. Your username and password will be provided to you by the CSP Support Desk.

*****Key Reminders*****

1. When you are finished viewing a report, click the Results button instead of the back arrow.

2. When you are finished with the Results Portal, always click Log Out

3. WPWP only works with Microsoft Internet Explorer and Firefox. Chrome will not work.
